

GUIDELINES

- Enrollment on the **End-of-degree** dissertation and the **internship** must be done before the end of the October enrollment period.
- Enrollment on the **End-of-degree** dissertation is only possible once 180 ECTS have been completed and upon enrollment of all remaining courses in the degree programme.
- **The end-of-degree dissertation defence** is only possible if all courses in the degree have been successfully completed.
- In order to **obtain the specialisation**, all related optional courses, internship and End-of-degree dissertation must be completed.
- Practicum courses cannot be taken simultaneously, except for Practicum I and Practicum II.
